Nobody has been here to read my meter and the lawyer told me I do not have to pay an estimated bill. I am not paying an estimated bill. It's illegal to expect anyone too. Someone can properly read my meter!!!! I was told once it was switched to digital that it would be read on time and when it was suppose to but nobody has been here and I have camera proof.

You stated you read my meter August 13th, and that is a full out lie. I have cameras and nobody came here to read my meter!!!! I will be sending the camera footage for that whole 24 hours to the lawyers along with my bill!!!! This is not ok
