Greetings!

Thank you, Ms. Freeman, (Et al), for your work on my concern!

I was able to use your descriptions to understand the billing of Nova Scotia Power.

Please note that some people like words to describe the situation and other like numbers to understand.

I like numbers.

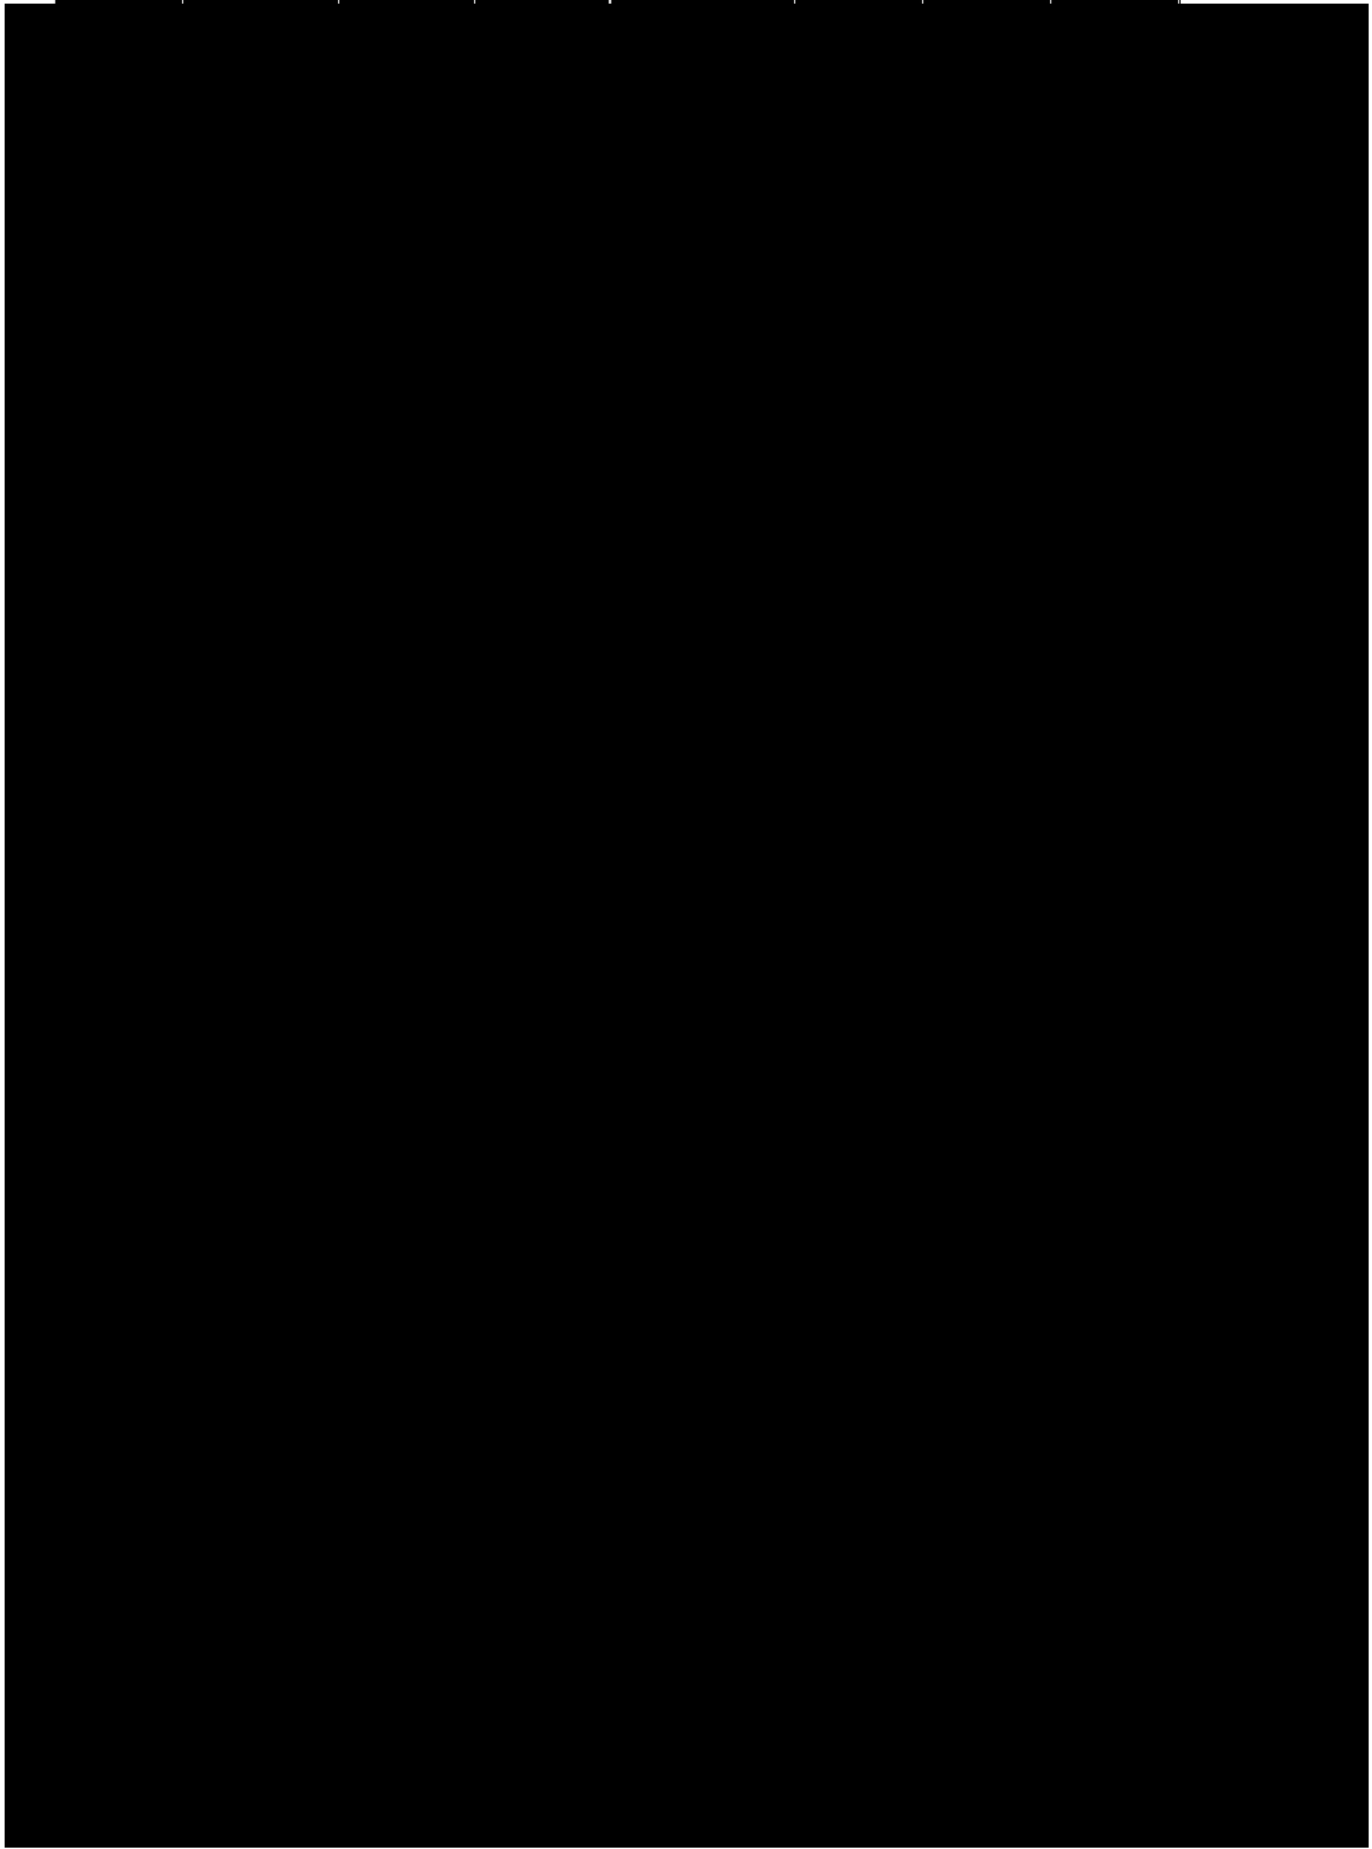

In my attempt to be positive about my curiosity and stubbornness, please see how I view the billings below.

I am satisfied and no longer want to appeal my billing.

Regards!

Harley Kalbfleisch

Question: How were other charges (tax) calculated?
