

Nova Scotia Utility and Review Board

IN THE MATTER OF: The Public Utilities Act

IN THE MATTER OF: NS Power 2026 Load Forecast Report

**NOTICE OF INTERVENTION:**

Renewall Energy Inc

TAKE NOTICE that Renewall Energy Inc. requests to intervene in this matter.

Renewall is the only Licence holder under Nova Scotia's Renewable to Retail program, which is referenced in this filing.

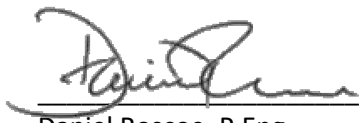

The issues which may be addressed include assumptions referenced in the report, and the interaction between the RTR market and the public utility market.

The name and contact particulars of the person to whom communications concerning this proceeding should be addressed are:

Daniel Roscoe, P.Eng  
President  
Renewall Energy Inc
