Matter M12916

NOVA SCOTIA Energy Board

IN THE MATTER OF: NOVA SCOTIA INDEPENDENT ENERGY SYSTEM OPERATOR'S 2026 10-Year System Outlook

**TO: Crystal Henwood, Clerk of the Board
3rd Floor Summit Place
1601 Lower Water Street, Halifax, NS B3J 3S3**

Notice of Intervention: Ecology Action Centre

1. Please accept this letter as notice of Ecology Action Centre's intention to formally intervene in Matter No. M12916 – Nova Scotia Independent Energy System Operator's 2026 10-Year System Outlook.
2. Year System Outlook.
3. The Ecology Action Centre (EAC) is an environmental charity based in Nova Scotia. The EAC has over 5,500 members. EAC has a history of intervening in Nova Scotia Energy Board hearings related to electricity and energy efficiency. These proceedings relate to the EAC's work reducing the province's greenhouse gas emissions while maintaining the affordability of energy.
4. The EAC is interested in and will be commenting on all issues identified by the Board, especially as they relate to the reduction of greenhouse gas emissions.
5. Please direct all communications to the undersigned.

DATED at Halifax, Nova Scotia, this 9th day of September 2026.

Chris Benjamin
