Ms. Henwood,

To clarify my previous email, the correction relates to the indicative rate and bill impact model contained in IG IR-1 Attachment 1. The separate fee recovery model and calculation is unaffected, and the overall fee recovery amount remains unchanged.

Thanks,
Karlie

Subject: Re: M13007 - IESO Nova Scotia - Fee Recovery Mechanism - Refiled Attachment

Ms. Henwood,

Please find attached a revised version of IG IR-1 Attachment 1 in Excel and PDF format, which is being refiled to correct a formula error identified in Cell C105 following submission.

The correction affects a number of calculations within the attachment; however, the overall fee recovery amount and conclusions of the analysis remain unchanged.

Thanks kindly,
Karlie
